## HOTEL

Special fares at the Collini Rooms Hotel, located just in front of the East End Studios: Via Mecenate 89, Milan, Tel. +39 02 503589, [www.collinirooms.it](http://www.collinirooms.it)

## HOW TO GET TO DISTILLO

Easy to be reached, just 20 minutes away from the centre of Milan, it is located in a focal point of the city, well served by public transport (tram no. 27 stops precisely in front of the location). It is just few minutes away from the exit of Tangenziale Est and 10 minutes away from Milan Liniate Airport.

**By car** Along the Tangenziale EST, take the Forlanini exit towards the town center. Turn left before the railway bridge (sign Via Mecenate). Follow via Mecenate, the East End Studios is on the right, at number 84/10.

**By bus** At Central Station take buses 60, 90, 92 up to Corso 22 Marzo, here take tram 27 which stops close to the East End Studios (intersection via Zante).

**By air** East End Studios is located 3km far from Linate Airport. Get the bus 73 and tram 27 or a taxi. From Malpensa get the Malpensa Express to Cadorna, then bus 19 to Via F. Sforza and tram 27 to East End Studios.

## CAR PARK

There's usually car park available along Via Mecenate. We recommend the large parking lot at Via Mecenate 96, about 200 meters away from the East End Studios in the direction of the Tangenziale Est.

## STAND SMALL TURNKEY

### SIZE

Area: sq. m 6

Width: m 3

Depth: m 2

Maximum height: from m 2,85 to m 4

### SUPPLIES

#### Ambient lighting included

- Fluorescent lighting fixtures with direct and indirect light emission, intensity and ignition adjustment divided into areas.
